Caduceus

Volume 44, 1969

The staff of Caduceus '69 wishes to sincerely thank Mr. Harold Jones for his many years of assistance. We are grateful for the pictures he has taken and the advice he has freely given us.

As he walks through the doors of the High School of Commerce this June for the last time as a member of the faculty, we hope he carries with him many fond memories of his years here. Our best wishes go with him for a happy and prosperous retirement.

We hope that in future years this book will also help you to recall with varied feelings the many times you walked

Through these doors students receive counseling and advice. Our counselors listen to us with a sympathetic ear and offer us sound advice. They also help us arrange our programs. Our counseling staff uses our programs as an aid in college and employment placement. Our teachers prepare us for the business world.

In his office he holds conferences with students, teachers, parents, and other administrators, does his daily paper work, plans the years' programs, and worries. Dr. Midura and Mr. Troy aid in making this the best school in the city.

Crimson Icemen End Season With 5-4-1 Record

The Hockey Team had a fair season, 5 wins, 4 loses, and a tie. They competed in tense competition for the Western Mass. Fay Division Title. After a poor start, Commerce began to gell, highlighted by a victory over Longmeadow, one of the contenders for the league title.

Ronnie Willette is fighting it out for a loose puck.

Gerry Wroblewski assists fellow teammate gain possession of puck.

Gerry Wroblewski gets in position to block the shot.

An observant referee anticipates a penalty on the ice.

Don Wright attempts a shot while being checked by opponent

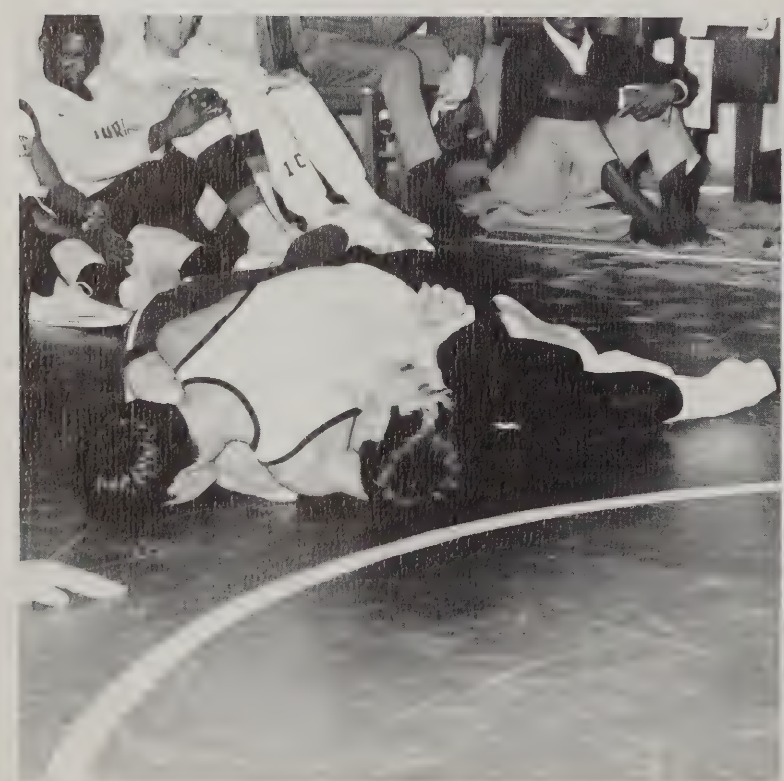
Wrestling Builds Muscle Tone

Pinned!!!



Mike Yacavone gets a secure grip on his opponent as the match progresses.

Clinton DePriest commences the wrestling match with his Classical rival.

Marc Greenburg attempts to secure his opponent in a pinned down position.

Although our wrestlers had a poor season, wrestling provides an invigorating sport that helps promote students in self-defense. In the words of their coach, Mr. Meacham, "It was our *Building* Season."

Mr. Meacham shows seniors Scott Beeman, Cosimo Galluzo, and Richard Kane a few helpful techniques.

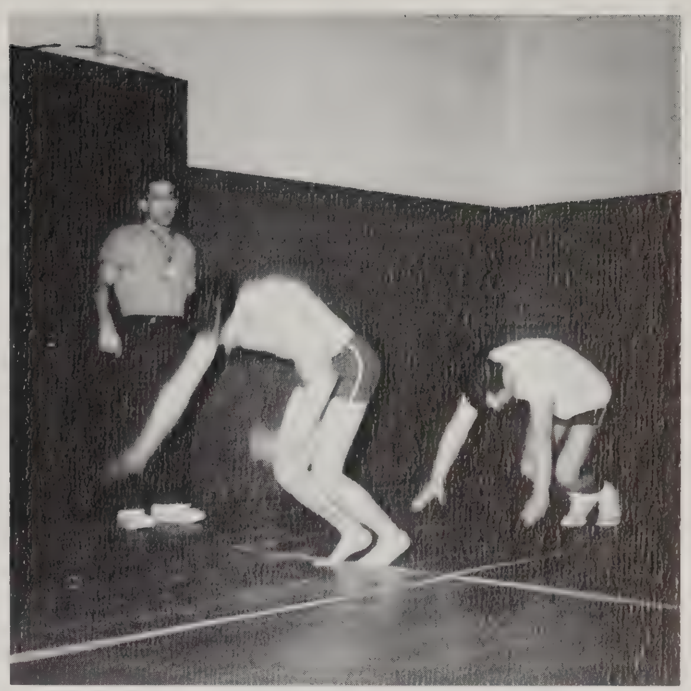
1968 GOLF TEAM. *Left to right:* Mr. Conchieri, John Creanza, Timothy Tillotson, Edmund Rodeen, Gene Sheroux, Roger Lapierre.

Golf Pros In Our Midst

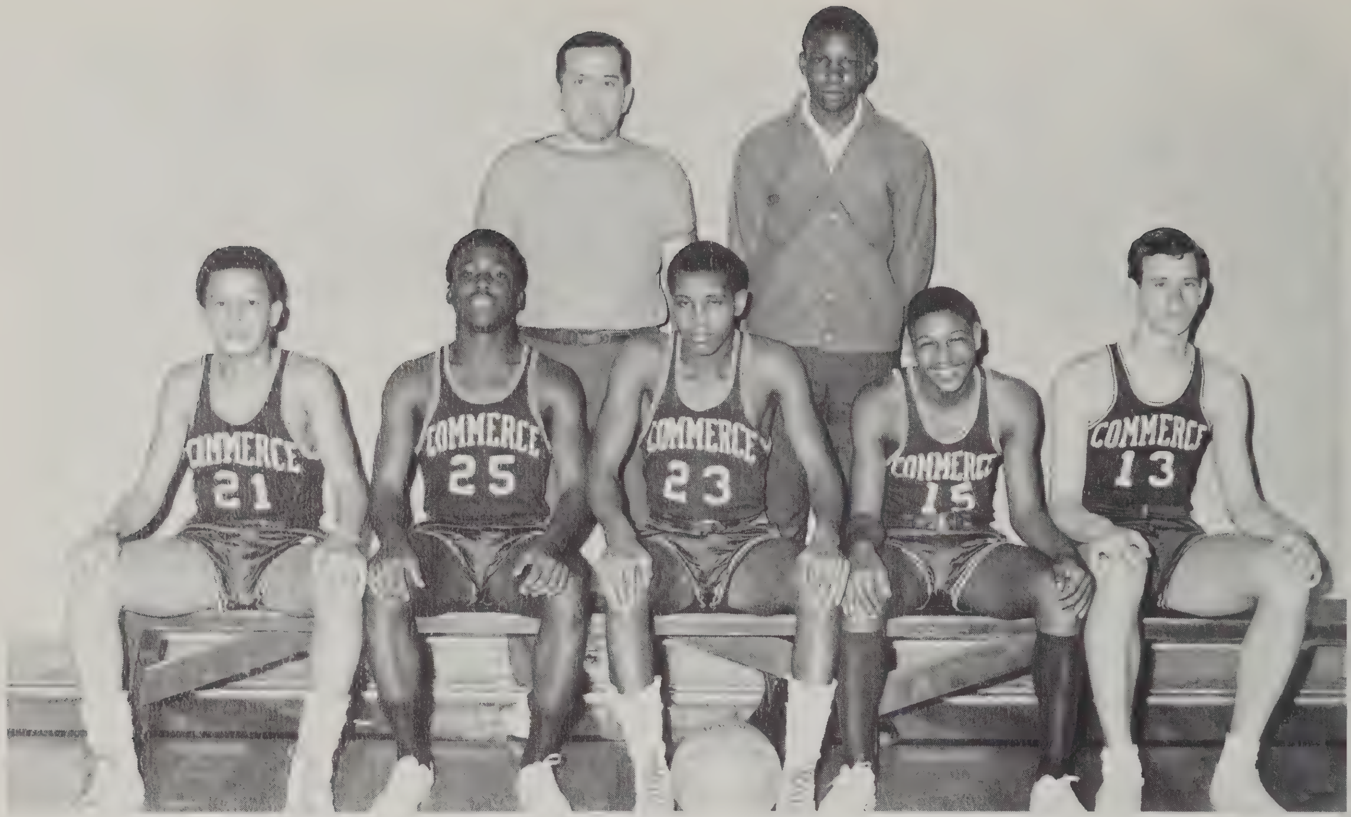
The 1969 Golf Team, a recently begun group, finished the season satisfactorily. With the helpful suggestions of Mr. Conchieri, the team regarded each game as a test in accuracy and skill.

A few last-minute tips are given to Ed Rodeen and John Creanza as they prepare for a game at a nearby course.

Mr. Conchieri shows proper stance grip to Gene Sheroux.



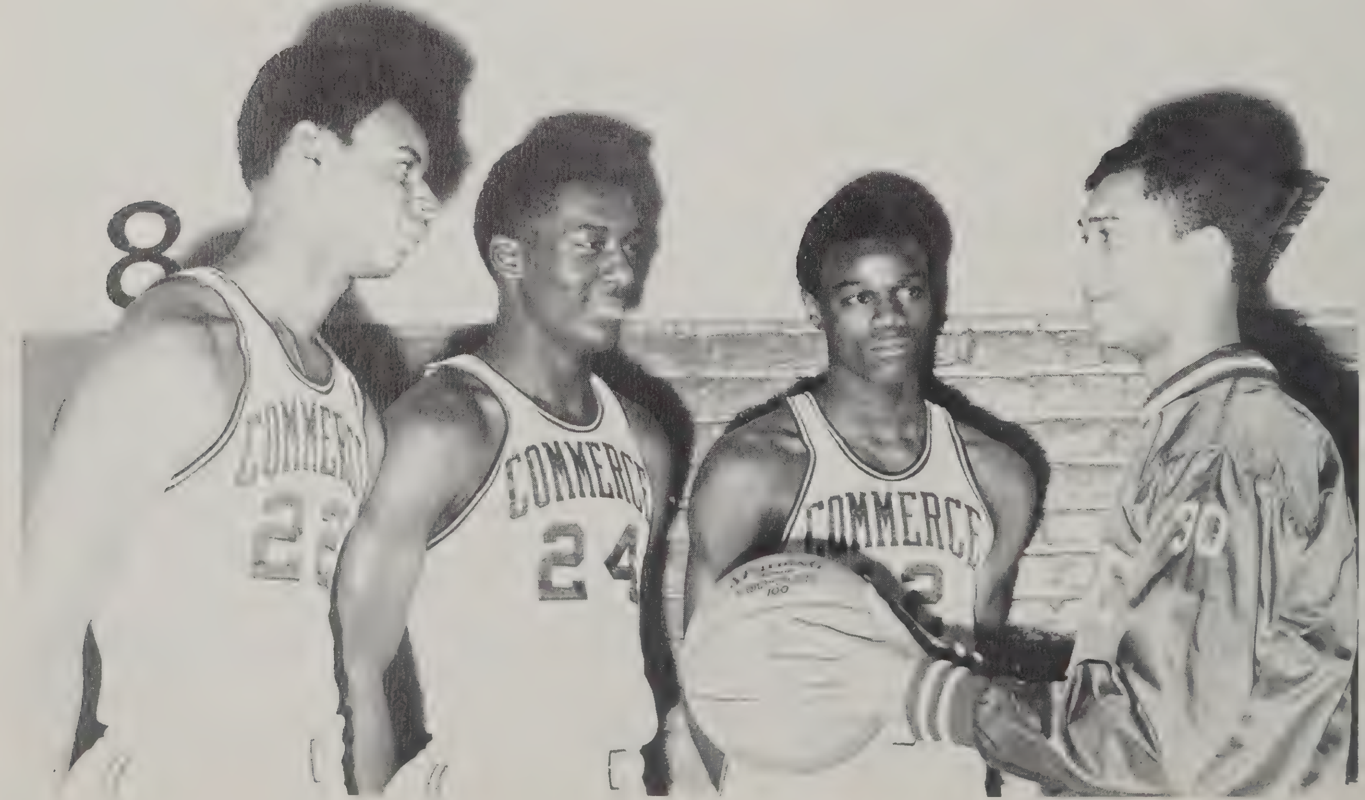
Though there are many activities going on at Commerce, what happens in a regular gym period is just as important. Gymnastics play a major role in the development of team participation and well-being. These periods of organized activity provide a means of competing in the President's Council on Physical Fitness in the spring.



THE 1969 J.V. BASKETBALL SQUAD. *Left to Right:* Robert Seymour, Charles Williams, Coach Debonis, Willie Shingles, Mgr. Larry Jones, Bennie Green, Tom Charko.

Junior Varsity Basketball Has Victorious Season.

Coach Payne with three of Commerce's best.



1968 VOLLEY BALL TEAM. *Front Row:* Jeanne Fettes, Lucy Bouniconti, Kathy Fanning, Linnea Roberts, Elizabeth Taylor, Linda Arnold. *Second Row:* Beatrice Pelletier, Candice Cole, Velma Norman, Yvonne Freeman, Mary Kosach, Alice Cygan.

Volleyball and Field Hockey Are Girls' Action Sports.

The Volleyball Team is composed of interested freshmen and juniors who enjoy a game that is both friendly and self-satisfying.

Debbie Parker glances ahead to the goal as Pat Ransom and Trudy Owens struggle to gain the lead.

1968 FIELD HOCKEY TEAM: *Front Row*—Rita Hoague, Linda Schulte, Linda Howe, Judy Scott, Linda Arnold, Peggy Long. *Second Row:* Debbie Parker, Valerie Roberts, Trudy Triplett, Pat Ransom, Sue Balise.

Linda Howe, Judy Scott, and Valerie Roberts fight for possession of the ball, while Sue Balise seems to have her own ideas as to who should make the goal.

Field Hockey and Invigorating Commercites

The Field Hockey Team is formed in the fall, soon after the girls have become familiarized with this invigorating sport. The team competes interscholastically throughout the season, but the games are not widely publicized.

Apparatus skills are easily acquired, as Freida Taylor demonstrates.

Speed is necessary in the success of a forward roll.

Gymnastics Are Sports For

Beverly Zerwitz easily performs a stunt that is impossible for most people.

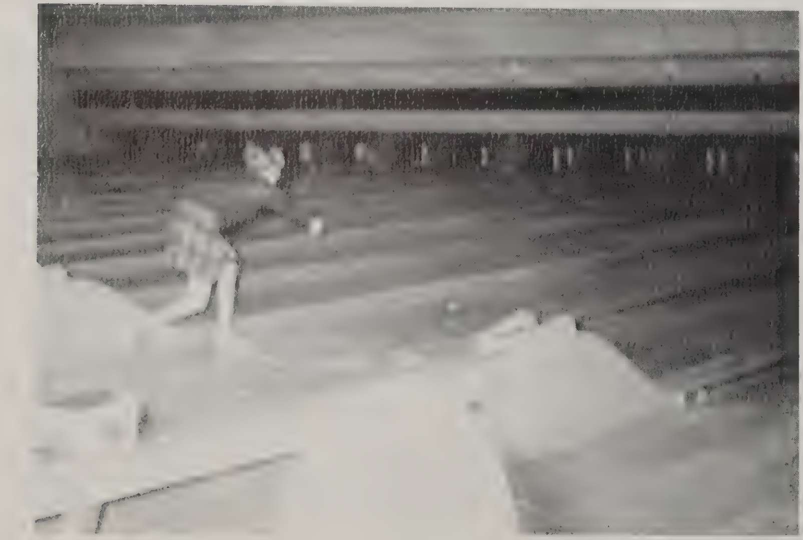
Gym is fun at Commerce, as these girls prove. As a result of the clever programming done by the gym instructors, the girls are able to participate in many different areas of athletic competition each year.

FIRST TO BEGIN THE GAME: THE JUMP BALL.

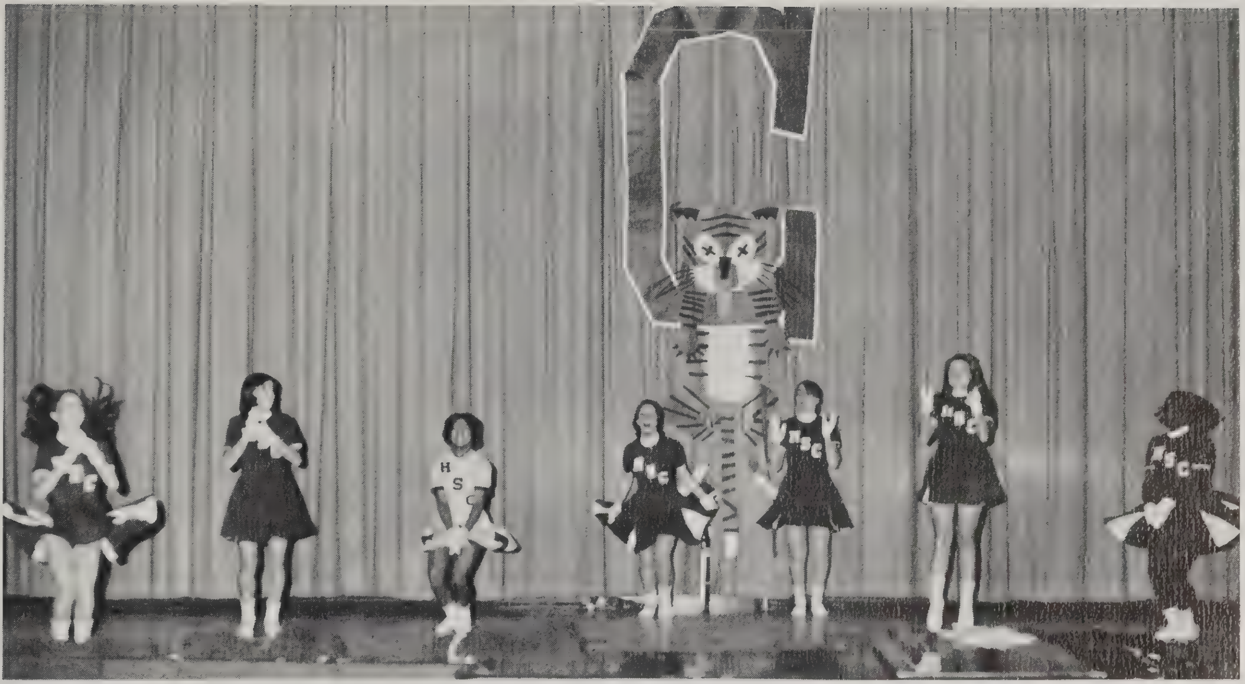
Getting points is the goal, and lay-up shots make that goal easier to attain.

Bowling and Basketball Pair Up For The Season.

Even if the first ball goes wrong, there's always another chance.



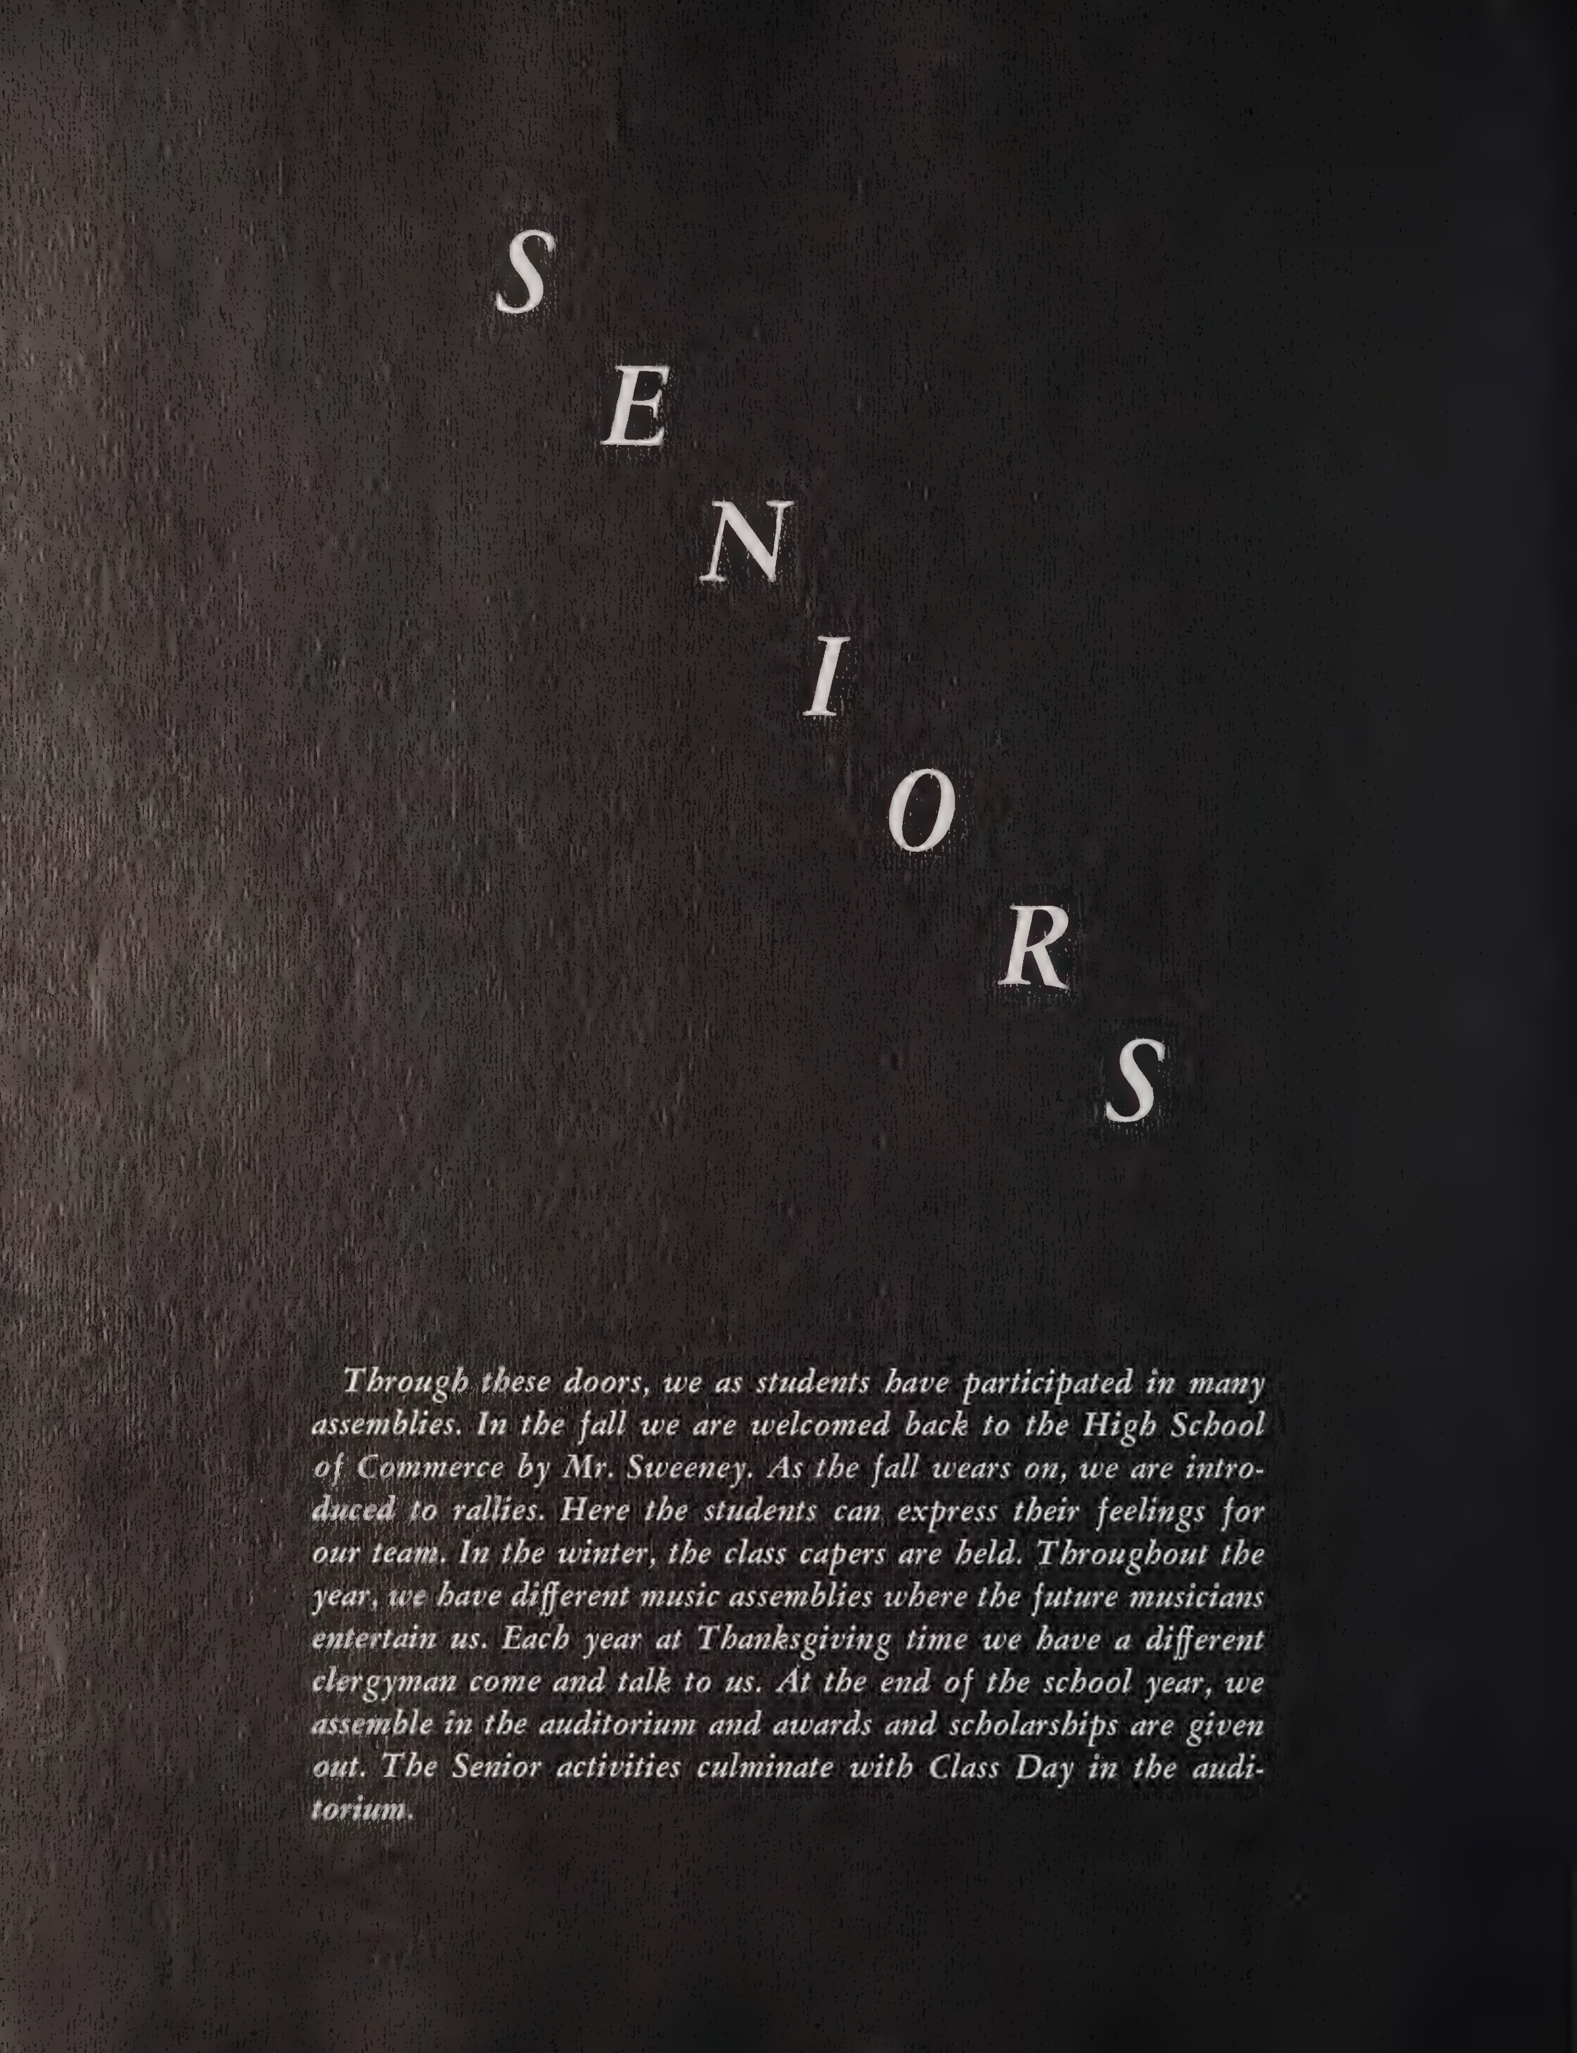
Without good form, it is impossible to defeat the opponent.



The Commerce cheerleaders inspire the student body to greater school spirit, and the teams to greater victories through their efforts at rallys and games.

The Cheerleading and Drill Teams are an important part of Commerce's sports life.

To be a member of the Commerce Drill Team, one must practice regularly to attain precision and grace of performance, as these girls demonstrate.



SENIORS

Through these doors, we as students have participated in many assemblies. In the fall we are welcomed back to the High School of Commerce by Mr. Sweeney. As the fall wears on, we are introduced to rallies. Here the students can express their feelings for our team. In the winter, the class capers are held. Throughout the year, we have different music assemblies where the future musicians entertain us. Each year at Thanksgiving time we have a different clergyman come and talk to us. At the end of the school year, we assemble in the auditorium and awards and scholarships are given out. The Senior activities culminate with Class Day in the auditorium.

Be it remembered that, we, the Class of 1969 of the High School of Commerce, in the Commonwealth of Massachusetts, being of sound mind and memory, but knowing the uncertainty of the future upon this day do so declare that we are the last of the best.

However, in order to make it possible for succeeding classes to carry on, we bequeath the following:

Frank Buoniconti wills his finished bookkeeping practice set to John Creazana.

Kathy Ashline leaves her hair to Mr. Allen.

Henry Bergeron wills his conceit to any junior who feels insecure.

Diane D'Agostino leaves Mr. Troy's chair empty.

To Mr. Tenczar, Irma Goodrich leaves her Swiss outfit.

Corinne Guerri leaves Dr. Midura her sister Linda.

Judy Higgins wills her flirting to Linda Pafumi.

CLASS HISTORY

In the fall of '66 approximately 600 confused pupils passed under the "Welcome Frosh" sign proudly hung by the upperclassmen. Little did we realize then that we could become the superior scholars that now roam the halls as the class of '69.

We were introduced to Mr. Sweeney, Mr. Troy, Dr. Midura, and other distinguished members of the faculty. We became acquainted with G.O., Guidance Assemblies, school activities, and period 8 in room 132.

As we became better acquainted with our classmates, we chose our school leaders. Laurie Bowers was elected our class president. Along with her, Cheryl LaPan was chosen vice-president, and Janice Bonavita was installed as secretary. Elected to our Student Council were Debbie Albert, Kathleen Ashline, Denise Dasso, Janet Meyer, and Helen Miller.

As the months flew by, we were given a taste of our first mid-year exams. Those who survived were later entertained by "Thurloy Spurr and the Spurrlows" who provided humor, music, and slap-stick comedy.

As has been the case for many a year, the Freshman dance was cancelled for lack of enthusiasm. Spirit rose, however, when we were given an opportunity to order the great status symbol—a class ring.

As our frosh boys took to athletics, outstanding players were discovered. Although J.V. soccer scored no wins, football came up with four. Four of our Frosh made varsity basketball. Jesse Spinks, Isaac Aycox, Robert Mack and John Sanders will be remembered as some of the best ball handlers in Commerce. Commerce turned up with a 13 win, 6 loss record. J.V. hockey, wrestling, and track had their ups and downs; but, all in all, our boys did their best for Commerce.

After a long awaited vacation, school was back in session with Pat Paolini as class president, Curtis Troy as vice-president, and Laurie Bowers as secretary. For Student Council we had Debbie Dion, Shirley Lovell, Roxanne Markham, Darlene Mitchell, Mary Ann Papadakis, and Bonnie Simpson.

Soon after school started we were able to go around and show off our class rings to both our upperclassmen and lowerclassmen. For once we were actually better than somebody—for a little while anyway.

As the year progressed and we got to know our teachers better and our teachers knew us better, we were issued rating cards. We were told about our personality from a teacher's point of view.

In the fall sports we still had our soccer team fighting with Trade to stay out of the cellar. Most of the same boys were back but this time with more experience. Their record this year was 2 wins and 11 losses. The football team had an off year, not many of the former J.V. team on hand. The boys made the best of what they had and came up with a 2 win, 6 loss record.

Soon we had our winter vacation, to which we had really looked forward. After relaxing for that week, we came back to a new schedule. The homeroom period had been changed to the middle of the morning with classes starting at 8 o'clock and ending at ten after two. Mr. Troy was acting principal while Mr. Sweeney attended a Seminar in New Delhi during the months of February and March. In India Mr. Sweeney visited Bombay, Poona, Jaipur, Delhi, Agra, Hyerdad, Bangalore, Calcutta, Mysore, and Madras. He also journeyed to Athens, London, Rome, Hong Kong, Tokyo, and Honolulu.

The winter came and our attention was focused on our basketball team. Our star players were Isaac Aycox and Jesse Spinks. With the help of these boys, we had an 18 win, 3 loss record and from there we went for the Western Mass. Championship to come up to No. 1. After winning the Western Mass. title, we went for the State Finals and lost by 13 points to Boston English, becoming the No. 2 basketball team in the Commonwealth. There was also a great victory for our hockey team, who beat the No. 1 team in their division, Agawam. Their record this year was about the same as the year before. In wrestling we sent two of our Juniors to Western Mass. They were Richard Nahlovsky and Wilson St. Julian.

As winter came and went, everyone was looking forward to spring and the Junior Prom. The prettiest girl was chosen from the homerooms and from there the student body selected five. The prom was a memorable event with Marianne Brais as Queen and Susan Bacon, Janice LaRoche, Darlene Mitchell, and Valerie Roberts as her Court The theme chosen was, "Love Is Blue."

In spring sports, our trackmen didn't come up with the great wins as they had in the past, but they did give it the old Raider try. Varsity and J.V. baseball remained about the same.

Another academic year began and we now had the distinction of being superior seniors. With our beanies crowning our heads, we "welcomed" the frosh with open arms. As we listened attentively to Mr. Rumpal's explanations of college, we realized the day was fast approaching when we would decide upon a career.

Curtis Troy, class president, led our senior class with Helen Caulton as vice-president and Gail Rokosz as secretary. Pat Paolini was elected Student Council President. Elected vice-president was Ronald Wilson and holding the secretarial seat was Roxanne Markham. Larry Blake, Terry Chapin, and Deborah Dion were also elected to the Student Council.

The Senior Christmas dance was held at the White House Inn on December 21, 1968, from 8:00 to 11:30. "Mistletoe Magic" was the theme and the decorations provided a joyous atmosphere.

As another athletic season began, Scott Beeman and John Sanders were chosen co-captains of our football team. Our boys fought earnestly through a one-win season. Greg Valentine took over most of our plays in soccer because of a leg injury to John Santaniello. John had scored the highest throughout the year.

As the winter came, our basketball team had its first undefeated year in the history of Commerce and the first in the city since 1954. Mr. Henry Payne replaced Mr. Russo as coach of our basketball team. Isaac Aycox was cited as one of the outstanding high school basketball prospects in the East, named to the Interschool All-Star Team, and named to the Western Mass. Team. Jesse Spinks was also named to the Interschool All-Star Team.

Janice LaRoche was the recipient of the DAR award for outstanding citizenship. John Sanders was elected our Good Government Representative and also chosen for the Brotherhood award. Their fine achievement has made us proud to include them in the class of '69.

Now, as we leave the High School of Commerce, these and other fond memories will linger on with us for many a year. No matter what our feelings of the past have been, we will always be proud to say that we are members of the class of '69.
